

Stow Mill

Looking after you and the Mill

We provide various condiments, along with a few basics, some sweet treats and a bottle of prosecco in our Welcome pack with our compliments to get your stay at Stow Mill off to a great start. You will also find a Stow Mill fridge magnet and a booklet about the Mill as a special memento for you to take away should you wish to do so.

There are a small selection of board games and DVD's in the Mill for Guests entertainment during your stay.

Smoking is strictly prohibited in the Mill. There is an ashtray available for use which is left in the front garden area.

We do not allow pets inside the Mill and we would ask you to ensure this is the case should you have any family or friends visit during your stay who bring a pet along with them.

We undertake an extensive cleaning process at every change over, covering all areas and surfaces. We rotate all bed linen and towels, which are professionally laundered and after each Guest stay we make sure the Windmill is thoroughly aired during change over periods.

To help us with this we ask that before your departure you remove the bedding (NOT the duvet itself, purple throw or the protectors for pillows and mattress), plus all bathroom towels / shower mat and place them in the Black Laundry Bag provided (you will find the Laundry Bag in the bottom drawer of the chest of drawers on the First Floor).

Could we also ask you please to put all rubbish from the bathroom and kitchen in the appropriate dustbin outside the back door and make sure all crockery and utensils are in a clean and tidy condition and back where you found them before your departure.

Thank you for booking Stow Mill, we very much hope you have a wonderful stay in, what we understand to be, the only windmill in the country with a 'working' cap that you can book a stay in and experience this magnificent, historic, restored Windmill for yourself.

Finally, when it is time for you to leave Stow Mill, if you have enjoyed your stay, please tell all your family and friends. If you have the time, we would be grateful for your feedback, please leave us a review on Google and don't forget to follow us on Instagram (stow.mill).
